Notes

Vasco Jansen is a "sensitive new age" actor with a unique "look" and an "endogenous" style. He has an amazing ability to charm an audience and move emotions through his natural energies both masculine and feminine. In his late teen years, Vasco joined a motivational team called the "Power House Roadshow" where he toured around Western Australian schools performing through song dance and drama, and delivering inspirational messages to young people through a multi media presentation. Although mostly self trained, this street smart actor is kind, honest, reliable, trustworthy and great fun to work with!
