Always having an interest in the arts, Catherine began taking acting classes at the age of 10. Following this, she completed a Bachelor of Creative Arts and soon after was accepted into the prestigious Part-Time Program at Sixteenth Street Actors Studio. Since graduating in 2016 she has worked extensively in both theatre and film. In 2018 she took the lead role in the stage play "Waiting On You", which premiered at Southbank Theatre.

Catherine then went on to play the lead role in the thriller feature film "What Goes Around" (2020) currently available to stream on Amazon Prime. Most recently she starred in the short film "I Like you" which had its Australian premiere at the Academy Qualifying Short Film Festival, Flickerfest in their 2022 program. Catherine is a proud member of the LGBTQI+ community and looks forward to taking on more roles representing her community.
