## Notes

Jai's had a passion for acting since he was about 6 years old. From a young age he started acting at Helen O'Grady Drama Academy, which he went on to do for about 10 years, starring in many of their productions.

During school he featured in many productions, including starring as leads in Mount Lilydale's renditions of Wicked and Pink Panther Strikes Again. He has studied film extensively all throughout high school and outside of it as well, making films at home and learning as he goes. He's known for doing impressions, being very flexible, and having a passion for drawing just as much as film and acting. He's always punctual and prefers to be early whenever showing up.
